Dear Providers,

The June 5, 2019 meeting at Varina library to discuss the results of the "Online Licensing Web Portal Provider Survey" and gather additional web portal feedback has been *cancelled*.

Unfortunately, we were not able to receive all the information from other parties that we were hoping to share at the meeting.

A future email will be sent out when we reschedule this meeting. We apologize for any inconvenience and look forward to speaking with you soon about the interesting technological advances coming for the Division of Licensing Programs!
